Today in PP3 we have been talking about what Joy means to us; delight, gaiety, happiness, being thankful and that by being kind and sharing we give and receive Joy.

We listened to a story about Joy written by the Dalai Lama and Desmond Tutu.

We have been looking for joy in the playground and talking about how we feel joy when we have fun with friends and family.

Then we had an extra special Joyful Day eating Honey Joys!

*'Even when you wake to the rain and your joy is washed away, it's waiting at the bottom of the puddle.'*

## Keep us up to date and contact us

**Sickness:** A reminder if your child is unwell or attending an appointment, please contact us by **SMS on 0438 916 777**.

**Holidays:** The Department of Education discourages families taking vacations during school terms. If you are planning a vacation of more than 3 school days, please email the Principal with the request. The Principal will review and decide if it can be approved. Criteria is based on an attendance average of at least 90% and the number of vacations taken.

A special offer for Yangebup Primary students - 4 WEEKS FREE beginners karate lessons!

Classes are held after school on Tuesday's and are a great way for children of all ages to learn self-defense in a fun and safe environment.

Students who attend the schools on-site After Care are collected and taken to the class in the hall and returned to After Care when their class is finished.

Classes continue over the school holidays (with a short break over the Christmas period) which makes it perfect for the kids who are looking to try something on the holidays.

Karate has many benefits which include confidence, respect, discipline and fitness.
